

Don't break a leg

Source: *Globe and Mail*

July 18, 2012

The best of the web on money, markets and all things financial, as chosen daily by *Globe and Mail* personal finance columnist Rob Carrick.

If you travel outside of the country without medical insurance, you're taking a huge gamble that you won't incur potentially expensive costs associated with hospitals and doctors. This infographic shows how even relatively minor accidents can cost tens of thousands of dollars.

Continued on the next page...

Without travel medical insurance, you could pay
TENS OF THOUSANDS OF DOLLARS
in hospital expenses.

or, you can save *money*
and *time* by checking if
your *credit card* comes
with insurance.

InsureEye's Credit Card Navigator allows you to see what kind of
features your credit cards come with, including travel insurance.
